NEWS RELEASE

whatwomenwant-tv.com subscription launches! Only £14.99 or \$29.99 a year!

London. 18 August 2008. Today is the launch of whatwomenwant-tv.com members section at only £14.99 or \$29.99 a year.

Today also sees more content updates with over 200 minutes of new content and exclusive interviews with celebrities including Will Smith, the beautiful Channel of Big Brother and the producer of the X-Files – the movie. And much more coming soon. Also in the mix is an Essex exclusive with exciting dating tips for men and places to go to in and around Essex. Also featured is a custom search engine and links to hours of free content and documentaries about relationships and seduction technique.

"The whatwomenwant-tv.com brand has global appeal, embodies fun and energy, and will come to define real life informal video stories about what women want in men," said Richard Lipman, founder of whatwomenwant-tv.com. "With our new subscription members only section viewers will be able to access a diverse range of video content, ask questions and submit videos. Importantly viewers will now have the opportunity to suggest new formats and contribute to the development of whatwomenwant-tv.com worldwide."

About whatwomenwant-tv.com

whatwomenwant-tv.com is the world's premier online video entertainment site dedicated to offering viewers informal tips and advice about dating. Founded by Richard Lipman, whatwomenwant-tv.com fills a critical gap in the online video entertainment arena.
